Veterans' Day Parade

The 23rd Annual Tri-Town Parade will be held in Wareham this year on Thursday, the 11th of November, with a starting time of 1:30 p.m.

The Parade will form at the Besse Park/ Warr's Marina area at the foot of Main Street at 12:30 p.m. The parade will proceed up Main Street through the center of Town to Gibbs Avenue at the Village Green; along Gibbs Avenue to Marion Road (Route 6), then left along Marion Road to Town Hall; observances will be held at the Town Memorial Flagpole before awards are to be given out.

Any late entries into the parade: would you please contact John N. DeCosta, 32 Park Street, Mattapoisett, 758-2310, and he will try to work you into the line of march.

The Committee would like to have everyone in the three towns come out and watch the parade in Wareham this year and take part in our observances at the Flagpole to honor all Veterans from our towns who gave so much of themselves to make this country the best place in the world to live. We have many things for which to count our blessings here in the United States.

resident here. He was an animal lover and the large Field farm was home to many generations of farm animals and sanctuary to the flocks of wild birds that passed through the town.

Elected Selectman in 1966 for the first time, he was reelected in 1969 and 1972. He resigned in 1973 when he moved from Mattapoisett.

John Field was formed in the mold of the early Yankee. His dry wit and great good humor was always at the ready and on every occasion he took to the floor of town meeting, this honest humor won his point and the genuine affection of all - opponents and proponents alike. John served the town in other capacities before he became Selectman - on the Board of Health 1963-66, Board of Public Welfare 1966 to 1969; and before that from 1964 to 1965 he was Inspector of Animals.

John was founder and first president of the Mattapoisett Fin, Fur & Feather Club, Mattapoisett Historical Society member, Lions' Club member and active in all the various drives such as Cancer, Heart and March of Dimes.

It was Will Rogers who said, "I never met a man I didn't like." I think that statement can be borrowed and turned around. I don't think that Johnny Field ever met anyone who didn't like him. He was solid, genuine from head to toes and a gentle man in every sense of the word.

Selectmen's Meeting

SELECTMEN DISCUSS FUTURE NEEDS

Selectman James Huntoon noted that a number of needs for the fire department are in view, including money for a new pumper, and moved that the 3 Selectmen appoint themselves to serve on the Board of Fire Engineers without pay until April 1983.

Chairman John DeCosta noted that the Fire Engineers have been an independent body and that he would like to see them proceed on their own initiative or that the capital improvement committee could be reactivated to look at the whole town and foresee capital expenditures for the future.

Huntoon said that he knows that the fire department has always been independent but felt that the Selectmen's knowledge of the budget process would be valuable for the fire engineers and that he would like to meet regularly with them and get a feel of the engineers' assessment of their needs.

Selectman Frank Suzan said that he agreed that it would be a good plan to help and support the fire department and suggested that the town Finance Committee might best work with the fire engineers and other department heads to assess and assign priorities for future capital needs.

Mr. DeCosta expressed the opinion that the Board should set up a process of looking ahead to all capital improvements. He noted that a new well site, water extension to Brandt Island, sewer extension, highway department needs and fire department needs are all projects that will require serious consideration.

Mr. Suzan suggested that a special meeting be set up to work with all department heads to discuss their future needs so that a potential budget for town capital expenditures can be drawn up for the next 5 year period.

For the present, the Selectmen reached agreement that their experience would be helpful to the Board of Fire Engineers and unanimously voted to appoint themselves to that board to serve until April 1983 without extra compensation for that duty.

APPOINT POLICE OFFICER

Robert D. Boivin, 11 Shady Oak Drive, Mattapoisett was approved as part time police officer. Selectmen acted on the recommendation of Police Chief James Moran.

COMMENDATION

Selectmen expressed their appreciation and praise for the Police Department-run Halloween activities including the parade and party. They sent commendation to the police for this excellent event. It was noted that Halloween night had been much quieter as parents exercised caution and confined children's activity mainly to the parade and police party.

PARK CHRISTMAS TREE

Selectmen were notified that a Christmas tree will be given to the town and the donor requested that it be located in Shipyard Park on the lawn where it can be seen from every shore of the harbor. The lights will be a gift also. Selectmen suggested that some of the younger people in the town might be invited to decorate the tree.

OFFICER ADVISORY BOARD

It was noted that at last week's meeting of the Plymouth County Advisory Board, Selectman John DeCosta of Mattapoisett was elected Vice Chairman.

BEANO LICENSE APPROVED

Selectmen received notification from the State Lottery Commission that St. Anthony's Church and Knights of Columbus have applied for renewal of their Beano License for November 1, 1982 through October 31, 1983.

Parade Flag from U.S.S. Wasp

The flag being carried by the Old Rochester Regional High School cheerleaders in this year's Tri-Town Parade November 11th was used as a back-setting for all ceremonies on the hangar deck of the aircraft carrier, USS Wasp. In addition, this flag was used by Captain Frank Suzan when he took command of a squadron at Quonset Point Naval Air Station in 1970. When the USS Wasp was decommissioned in Boston the flag was given as a gift to the Florence Eastman Post 280 American Legion in Mattapoisett. Captain Suzan is now commander of the Florence Eastman Post.

Assessor Completes Course

Mattapoisett Assessor Bruce E. Rocha has been notified by the Massachusetts Association of Assessing Officers of his successful completion of a course in "Principles of Assessing Procedures".

Mr. Rocha has also taken courses in the three approaches to value. After completion of one more course, he will be a candidate for the professional designation of CMA,

Marion Art Center

EXHIBIT OPENING

The opening reception of an exhibit of familiar local scenes by Daphne Lewis of Marion and Boston will be Friday evening, November 12th, from 6 to 8 p.m., for members and their guests. This is Ms. Lewis' first exhibition in America. She has exhibited annually over the past eight years at the Cotswold Art Association in England.

Her specialty is architectural portraiture and she works in pen and ink superimposed on water and opaque color sketches.

The exhibit will continue through December 1st at the Cecil Clark Gallery at the Marion Art Center.

The Marion Art Center is open Wednesday - Saturday 1-4 p.m.

Mattapoisett Woman's Club

GUEST NIGHT MEETING

The November 18th meeting of the Mattapoisett Woman's Club will be held at 7:30 p.m. at the Congregational Church Parish Hall. This will be a Guest Night with musical entertainment by Maggi Peirce. Mrs. Peirce is a renowned Folk Singer, originally from Northern Ireland. She is in great demand as a performer and has been featured at such places as the Philadelphia, Newport and Amherst Folk Festivals, as well as the Southeastern Massachusetts University Eisteddfod. Please plan on attending what promises to be an enjoyable evening. The public is invited.

LITERATURE GROUP

The Literature Group will meet Wednesday, November 17th, at the home of Mary Ann Amoruso, 8 Old Mattapoisett Neck Road, corner of Oliver's Lane, at 9:30 a.m. The program will be presented by Mary Adams. The theme will be "Humor and Satire". Co-

School Playground Discussion

CENTER SCHOOL

What do you want for playground equipment - for a playground ground-cover? Will the choices be the safest, most easily maintained, costly, who will pay, and will the final recommendation to our school committee represent the ideas of just a few?

Next Thursday, November 18th, at 7:30 at Old Hammondtown School a meeting will be held to discuss the playground. It is sponsored by the Mattapoisett Parent-Teachers' Club and will feature personnel from a Boston playground company. Susan Granetz and Horst Henke design playground equipment and have designed and planned entire playground areas for numerous schools.

All are invited to what we hope will be an

Fairhaven High Open House

About two years ago a Restoration Committee for Fairhaven High School was formed from members of the alumni. This committee has been working hard seeking funds to restore in the interior of Fairhaven High School. Letters were sent to all living alumni, a car raffle was held, cocktail hours were held and there also has been a sale of cup plates of the high school. The results of all these efforts have been great and restoration has started.

This committee invites all alumni and interested community members to an Open House this Saturday, November 13th, from 11 a.m. to 4 p.m. to see what has been done so far. Room 7 has been completely restored except for the lights and the hall ceilings have been done.

As reported in the June 10, 1981 issue of the Presto Press: "To walk through Fairhaven High School is to marvel at an art that is well beyond time and price. This is a palace of knowledge that is filled with the treasure of the nineteenth century. Henry Huttleston Rogers used his millions to construct a truly great building and of materials of the finest quality. He turned to the most gifted artisans of that age to sculpt and carve the marble, the wood, the plaster into marvels of art. It was, no doubt, a marvel 75 years ago. Today, it is a miracle no longer possible to duplicate even if unlimited funds were available.

"The school will be 75 years old on September 10, 1981 and it is the aim of the fund-raising committee to raise a thousand dollars for each year of service in this initial drive."

named the stars, and used them as a source of story telling. Children five and up are invited to attend Mr. Gerry Dyck's program "LEARNING THE AUTUMN SKY". The program will introduce children to the names of the constellations and what they can expect to see in the Autumn Sky through slides and Mr. Dyck's usual expertise in making education entertaining. The program will begin at 2:00 p.m.; there is a small charge for non-members.

STAR PARTY

The evening of November 13th will be the setting for our first STAR PARTY held in conjunction with members of the Greater New Bedford Astronomical Society. The Party will begin at 7:00 p.m. at the Children's Museum's new Gulf Hill site. Mr. Gerry Dyck will bring his award-winning "Monster Scope" for observing the night sky. Inside, slides from Astronomical club members will be on view and refreshments will be available for a minimal fee. To attend the Star Party children should be at least seven years old and accompanied by an adult. Rain date will be November 20th, same time. For more information please call 993-3361.

Thank You

COUNTY GOVERNMENT AT LEAGUE MEETING

The Marion-Mattapoisett Area League of Women Voters is holding its second brown bag lunch get-together on Wednesday, November 17th, at 12 noon at Jay Crowley's house, 604 Point Road, Marion. County Government will be discussed, and local members will report on what they learned at the Boston Public Forum. The public is cordially invited to come, listen, learn, and participate. Baby-sitting will be provided at the same address, but please telephone ahead (748-0117).

POLICY ON REPRODUCTIVE CHOICES

The New Bedford/Fall River Area League of Women Voters will hold a meeting on the subject: PUBLIC POLICY ON REPRODUCTIVE CHOICES on Tuesday, November 16th, at the Southworth Library, South Dartmouth. This meeting will hear a report by the League Study Committee on the issue and they are glad to share their findings with the wider community. The meeting will be preliminary to a poll of the League membership which is being taken nationally to arrive at a unified statement or "national position" of the League

GEOLOGY AND SOIL WALK

Geology and Soil is the topic of a walk on Sunday, November 14, 1:30 p.m. at the Lloyd Center for Environmental Studies, 430 Potomska Road, South Dartmouth.

Now that most of the leaves have fallen, the uneven surface of hills and depressions at the Center is more easily seen. During this walk we will consider the glacial origins of the area, and visit particular sites at the Center which serve as good examples of these processes. One such site, off the Chaypee Woods Trail, is known as a ket-

Early School Days

MATTAPOISETT HISTORICAL SOCIETY NOTES

Young people today might be interested in what school was like in the late 1800's when the Grange Hall was the Mattapoisett Academy and later the Barstow School.

The catalog of the Academy for 1856 states that there is a "spcaious gallery fitted up for the especial accommodations of visitors who can call at any time without interrupting the school".

Imagine yourself in one of the seats up above and looking down on 83 students. The

principal was Orange H. Spoor and perhaps you'd hear his class in natural philosophy or parsing English grammar, or watch Mrs. Spoor teach some of the 'ornamental branches' like penciling, crayoning, and monochromatics. John Hammond, later the judge, was assistant and you might have stumbled on one of his classes in trigonometry or navigation.

It would seem that the personal touch was the keynote of this school for the catalog says that, "the time which the course of study in each department may occupy is controlled so much by the diligence, maturity, previous attainments and natural ability of each pupil that we consider it nearly or quite useless to assign any definite period".

The Academy closed after the Civil War and later the building reopened in 1871 as the Barstow School.

In 1886 you would have found Lemuel LeBaron Dexter sitting at a desk over in the extreme northeast corner and Captain Zach Barstow standing by the teacher's desk looking fixedly out of his gold frames with his one good eye, and grasping hard his gold-headed cane. The stove was in the corner and if you came at the right moment you might have seen Professor George S. Berry chasing Billy Hiller who was dodging him around the stove.

Perhaps about two o'clock it might have been the day that the school committee

called. In that case you would have seen a massive elderly man with white hair and beard lay off his great cape overcoat and sit and hear a recitation. He was in some respects a remarkable man. It was on his say-so that the United States bought Alaska! This whaling captain, Charles Bryant, knew all about Alaska and Charles Sumner took him to Washington to see Secretary Seward and to testify before the Senate Committee. From Captain Bryant's testimony the government voted to purchase Alaska and the Captain was made the first governor of Alaska. He lived at Sitka many years and then came to live in Squire Meigg's house, later the Bay View Hotel (and today the Mattapoisett Inn).

The Captain was a popular visitor at the school as he told interesting tales of seals, whales, Eskimos and whaling adventures.

School certainly wasn't just readin', 'ritin', and 'rithmetic!

stories. This was a culminating activity for Mrs. LaFleur's and Mrs. Harriman's classes and became a tradition last year.

Several weeks ago students on both teams wrote original stories or poems for Halloween especially for the pre-primary students. Once finished, each student designed his own cover and copied his story into book form complete with illustrations. Mrs. Harriman's and Mr. Dunlavy's homerooms made Rice Krispie treats in the shape of pumpkins in home economics classes under the direction of Miss Therrien. On Friday, each Mattapoisett kindergartener received his own book to keep after it was read by one of the student representatives from the junior high.

The reading session was videotaped by Ricky Regan and Kevin Keeney, both eighth grade UPLIFT students, under the direction of Mrs. Evangelho, UPLIFT aide. A bulletin board of Halloween stories was also created at the junior high to display the students' work.

The project will continue with Christmas stories for Rochester kindergarteners and a visit to Marion kindergartens for Easter.

LET'S GET SERIOUS!

There's an old saying, "Watch your pennies and the dollars will take care of themselves."

We all know we have to watch our pennies today, and we at Fairview Farms can help you.

Our prices are down-to-earth, but our quality is high.

Did you know you can make a lovely herb wreath for as little as $15.? Or, that our regular classes are $2. plus materials? Or, that a project can be paid, week by week, as you are working on it? Or, that you can come for class at your convenience and do what YOU want to do?

We are in business because we love what we're doing - believe in handmade projects and the pride of accomplishment - and to share our knowledge with you.

Our "help you save" policy has never been advertised - but in these "tight money" days, we feel we should speak out.

Come in, have a cup of coffee or herb tea, look around and check our prices - you will see we ARE helping you watch your pennies. Edie and Claire

An amateur watercolorist, he left a charming pictorial record of both his native town and his adopted city during the first half of the 19th century. Some of his watercolors have been in the Museum's collection for many years; others have recently come to light. All of his known work will be brought together for the first time in this special exhibition.

The Museum is open Monday through Saturday 9:00 a.m. to 5:00 p.m.; Sunday 1:00 to 5:00 p.m.

To open the exhibition an illustrated program on Russell will be presented at 8:00 p.m. November 16th by Elton W. Hall, Curator of Collections at the Whaling Museum.

Hypnotist Sam Vine

Hypnotism is an intriguing blend of skill and science; it's difficult to do, and even more difficult to do well. So, when a nationally-known television host feels qualified in referring to Sam Vine as a 'truly exceptional and most remarkable performer', then Mike Douglas must believe in what he is talking about. On November 19th and 20th the ZEITERION THEATRE presents audiences with Hypnotist Sam Vine, returning to New Bedford by popular demand, for two evening performances.

Sam Vine is careful with his audiences. He is sensitive enough not to put them into embarrassing situations, yet has a sense of humor which allows both participants and observers to have a great deal of fun. Mr. Vine began his career as a medical hypnotist 25 years ago in Hamilton, Ontario. Trained by doctors, he spent eleven years conditioning patients for various treatments through the power of hypnosis. By learning the classic methods first, then developing his own variations on a theme, Sam's approach is unique and contrary to many standards

of the hypnotist trade. It was during this time in Hamilton that the National Film Board of Canada enticed Mr. Vine to star in a film about hypnosis, using students from the University of Toronto as his subjects. Maintaining that he had never been a stage hypnotist, he undertook the project anyway; a decision which turned out to be the turning point in his career. Soon after, the Canadian Government asked Sam to entertain the troops in Korea and Japan. Once again, a success story. After that, the engagements began; in nightclubs, college lectures, conventions and tours. In fact, Fall River was one of his stops. Sam Vine was so popular at the Highway Casino that his show was held over for 93 weeks straight! Recently, his career was highlighted by his one-man Broadway show, "The World's A Stage", which brought him critical acclaim. Mr. Vine's philosophy about hypnosis is a simple one. As he puts it, 'A psychiatrist will tell you the first instinct you're born with is self-preservation. Even though you are in a trance, you still have the power to make a decision. You'll do whatever you think is best for you'.

Sam Vine has entertained audiences around the world, from Las Vegas to New York, from Puerto Rico to Sweden. His reputation certainly precedes him and makes his ap-

of the group of seven dancers and its choreographer. "I combine these with re-enactments of ordinary human activity, such as the gestures that occur during conversations, the walking, running and skipping that people use to get around, or the sculptural shapes of people as they wait in airports or parks. I also try to translate non-human motion, such as the shimmering of lights or the movements of cars in traffic, into dance terms."

"...a dazzling succession of sudden chantes...." is the way The New York Times describes her technique.

"She is working on the frontier of a new area, extending the boundaries where others may follow, if they dare," stated the Christian Science Monitor.

"The SMU Cultural Affairs Committee is providing this area with the most avant-garde and adventurous performances as well as dancers of really fine experience and training," said Professor Peter London, the committee chairman. "Beth Soll is in that tradition of innovative and high-caliber performance."

Beth Soll has been choreographing and teaching in Boston for the past 10 years. She received her early training from European modern dancers and later earned a degree in modern dance at the University of Wis-

THANKSGIVING AT GREEN BRIAR

The turkey roasting in the wood-burning oven...the aroma of mincemeat cooking on the stove...the old-fashioned kitchen festooned with grape leaf wreaths and dried herbs...it's Thanksgiving at Green Briar!

Saturday, November 13th, from 10 a.m. to 4 p.m. join us for a turn-of-the-century Thanksgiving celebration. Enjoy a tour through the unique Jam Kitchen and sample some old-time hospitality. Watch mincemeat and cranberry conserve being made, see a demonstration of cider-making with a hand press, have a piece of holiday bread and perhaps pick up a special recipe or two.

The Gift Shop offers our own jams, jellies, relishes and natural history books and gifts with free holiday gift-wrapping. Mail order is also available.

Carpenter to Retire

FAIRHAVEN SAVINGS BANK PRESIDENT

The President of Fairhaven Savings Bank, Richard H. Carpenter, informed the Board of Investment of his decision to retire, effective June 6, 1983.

Carpenter's announcement, which coincides with the bank's 150th anniversary, was made at a regular weekly meeting of the Board, Monday, October 25. Carpenter said he was making his plans known now in order to give the Board time to choose a successor and effect an orderly transition of administration.

Carpenter has been associated with Fairhaven Savings since 1951; and president since 1966. During his tenure, Fairhaven Savings erected a new main office at 215 Washington Street, in Fairhaven, in 1973; and established the Dartmouth Banking Center in South Dartmouth in 1977. The Center Street branch is located on the site where the bank originated in 1832. The "minutes"

W.W. II Navy Art

Some World War II sailors did more than write letters home to Mom. George Eisenberg of Marblehead sketched scenes of life aboard a destroyer during his off duty hours.

An exhibition of Eisenberg's drawings will be presented at the Marine Museum at Fall River in Battleship Cove on Veterans' Day, November 11th, from 6 until 8:30 p.m. The show is under the auspices of Tin Can Sailors, a national organization of present and former destroyermen homebased at Battleship Cove, Fall River.

Eisenberg saw action aboard two WWII destroyers; the USS Lavalette DD 448 and the USS Cassin Young DD 793. The artist captured the human side of a sailor's life on a fighting ship. His drawings and paintings depict vivid recollection of combat, liberty and even a burial at sea.

A graduate of the Massachusetts College of Art, Eisenberg is now a commercial artist.

Captain James F. Gavin USNR (Ret.) of Newport, Rhode Island, former officer of the USS William R. Rush DD 714, is chairman of the special event. "We are mounting this special exhibit of Mr. Eisenberg's work for all the former and active destroyermen of New England. The show is natural for this area because of our long association with the Navy", Gavin said.

The Greater Fall River Art Association will hang the show. Captain Gavin noted that Art Association President Leo LaFleur is, himself, a former destroyerman.

Boarding School Life, 1800's

"Tilton Revisited: Life in a New England Boarding School in the Late 1800's" will be the topic of the next SACHEM lecture to be presented at the Swain School of Design on Tuesday, November 16. Dr. Randolph Bartlett, Assistant Professor of History at Cape Cod Community College, will speak about the experiences of a 14 year old boy who entered a New England academy in Tilton, New Hampshire. The lecture is based on the boy's extensive correspondence with his older brother describing all facets of life at the academy, including faculty members, expenses, pranks, etc. The topic provides a timely and entertaining social history from the eyes of a Cape Cod teenager nearly a century ago. The public is invited to attend on Tuesday, November 16, at 4:00 p.m. in the Rodman Hall at the Swain School of Design.
